

# Farming at Babakin

By Pam Chaffe

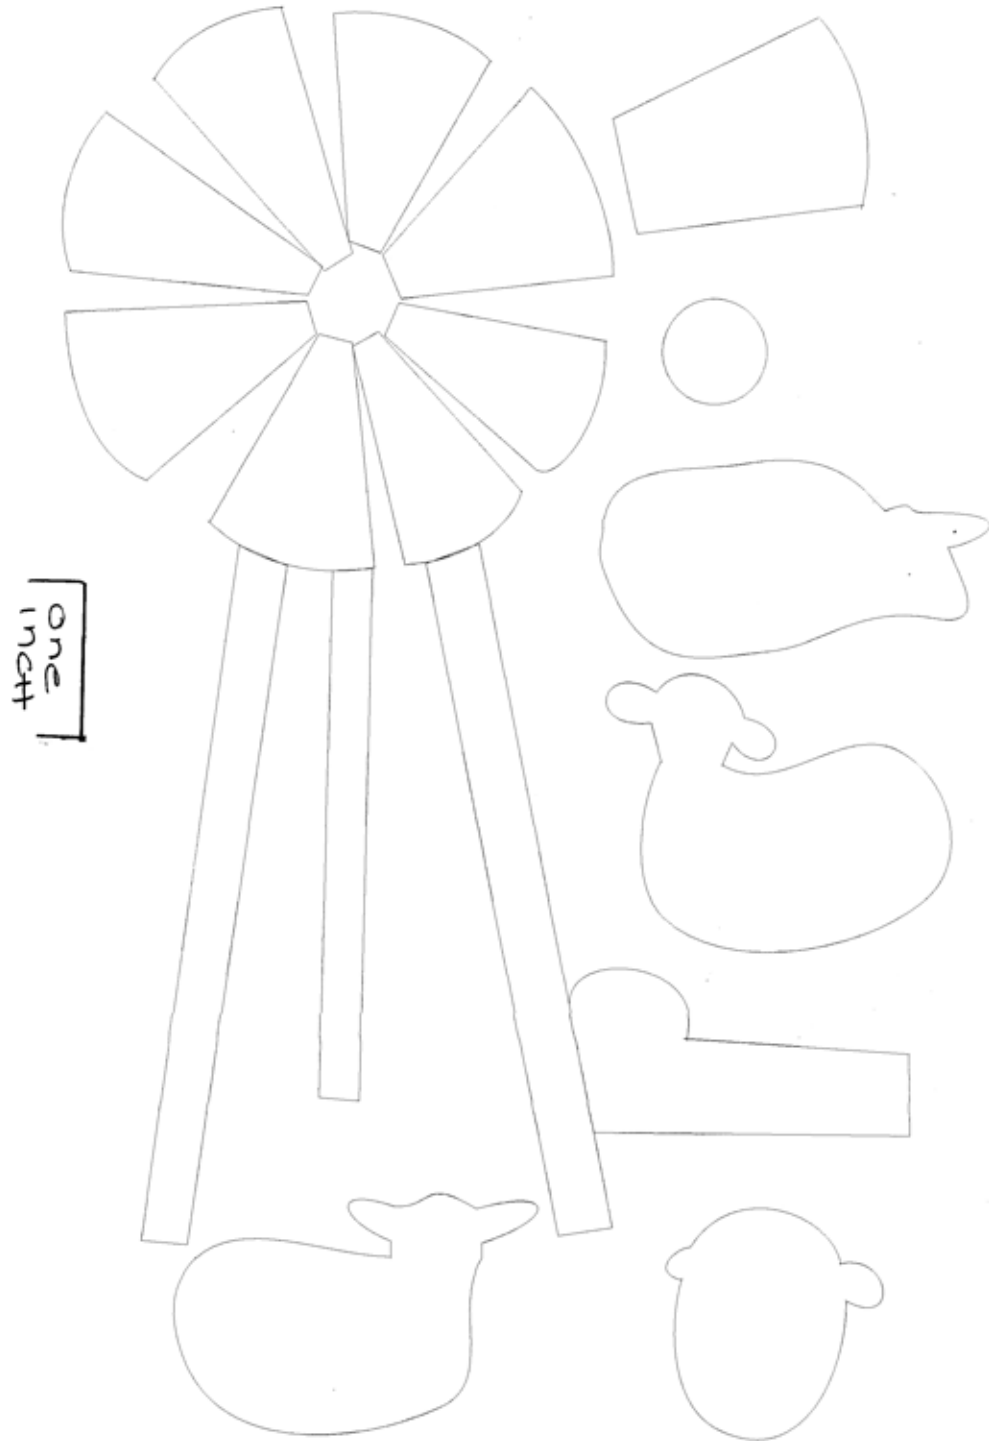

**FARMING AT BABAKIN**  
by Pam Chaffe, Alexandra, Victoria  
Complete block – half size

**The three background fabrics need seam allowances. However they are too large to be shown full size. Enlarge them to 200%, and add seam allowances. Windmill, trough and sheep bodies are blanket-stitched on, without seam allowances. Legs, eyes, birds and windmill struts are chain stitched. The fence is drawn onto the fabric. The stars on the windmill are just stitches.**

**Templates – full size (1 of 1)**
